

# Project Development Phase

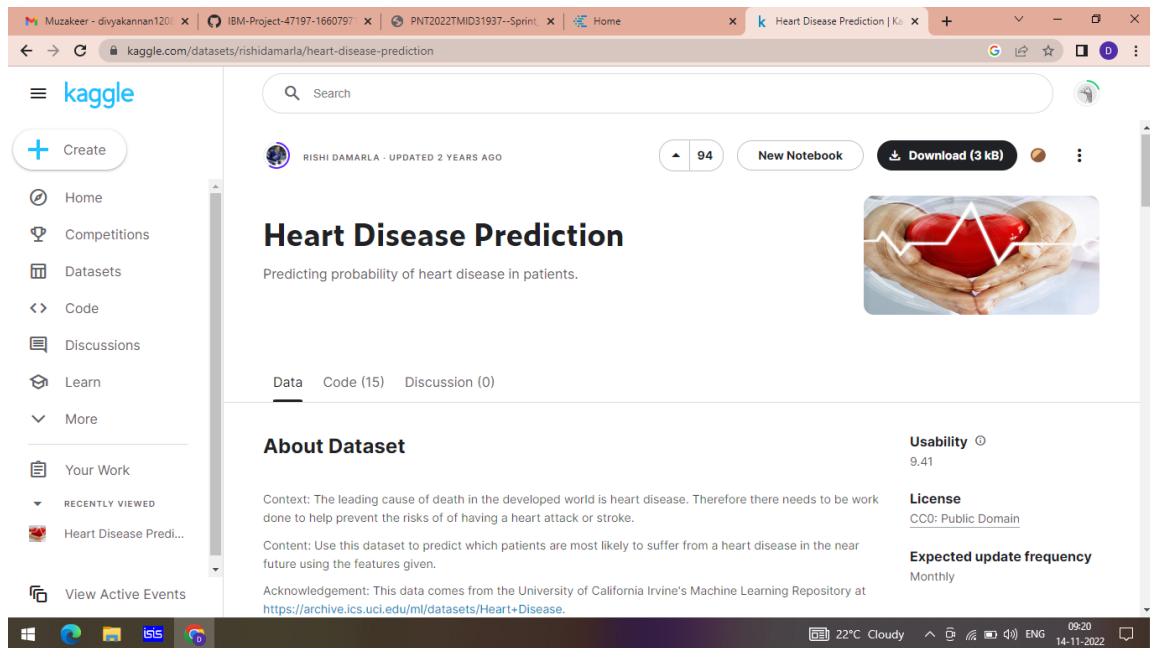

## Delivery of Sprint 1

Date	10 November 2022
Team ID	PNT2022TMID31851
Project Name	Visualizing and Predicting Heart Diseases Using an Interactive Dashboard

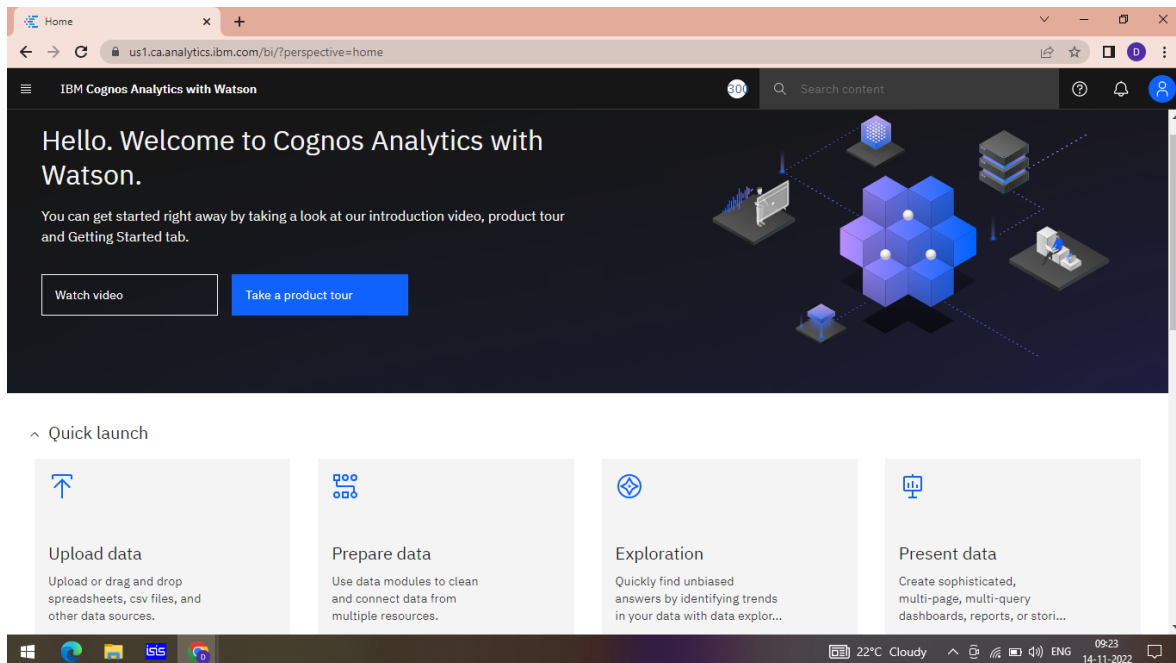

## Project Development Phase:

The screenshot displays a web application interface for a project development phase. The browser address bar shows the URL: [careereducation.smartinternz.com/Student/guided\\_project\\_info/39924#](https://careereducation.smartinternz.com/Student/guided_project_info/39924#). The interface features a sidebar on the left with a list of project phases, each represented by an orange button with a circular icon. The phases are: Working With Dataset, Data Visualizations, Ideation Phase, Project Design Phase - I, Project Design Phase -II, Project Planning Phase, Project Development Phase (highlighted in a darker orange), Project Development - Delivery Of Sprint-1, Project Development - Delivery Of Sprint-2, Project Development - Delivery Of Sprint-3, and Project Development - Delivery Of Sprint-4. The main content area on the right is titled "Project Development Phase" and contains a text box with the following description: "In this milestone you will start the project development and expected to perform the coding & solutioning, acceptance testing, performance testing based as per the sprint and submit them." The bottom of the screenshot shows a Windows taskbar with various icons, including the Start button, task view, and several application icons. The system tray on the right indicates a temperature of 22°C, cloudy weather, and the date and time as 12:14 on 16-11-2022.
